

#### Presentation #1: Introduction to the IMO civil liability and compensation conventions

Jan Engel de Boer is Senior Legal Officer at the Legal Affairs Office of the Legal Affairs and External Relations Division at IMO. Jan is *inter alia* responsible in the IMO Secretariat for the facilitation of the entry into force of the 2010 HNS Convention. Before joining the UN's maritime agency, Jan served as Senior Legal Counsel at the Netherlands Ministry of Infrastructure and Water Management. As Vice-Chairman of the IMO Legal Committee, he was involved in numerous international conventions and attended many Diplomatic Conferences, including on the revision of CLC and Fund Convention and on the HNS Convention and Protocol.

#### Presentation #2: 1992 Civil Liability Convention and 1992 Fund Convention

Chiara Della Mea is Claims Manager at the IOPC Funds. Before joining the Funds, she has worked at the Italian Institute for Marine Applied Research (ICRAM), and the Italian Ministry of Environment and Marine Protection, providing advice and expertise in the field of international marine environmental protection law. She joined the Funds in 2004 and has been responsible for the management of several incidents in Korea, Japan, Oman, Spain.

## GI WACAF webinar series - Season #2

### Webinar #5: the international liability and compensation regime

29 September 2021 at 2:00 pm (GMT+1)

Chrystelle Collier

Chrystelle joined the IOPC Funds 20 years ago. As a Claims Administrator, her primary role is to maintain and develop new procedures with respect of the claims process and coordinate information between the offices and parties involved during an incident. Chrystelle is responsible for providing support with the assessment of all aspects of claims including economic losses from fisheries and tourism to property damage and clean-up costs. She has been actively involved in major incidents in Asia and in Europe and has prepared and delivered numerous training courses at government level.

### Presentation #3: 2001 Bunkers Convention, 1976 LLMC Convention and 1996 LLMC Protocol

David Baker

David Baker has over twenty years' experience working at both government and NGO level on liability, compensation and pollution related matters in the maritime field. He was Deputy Head of the UK Government delegation to the 2001 Bunkers Convention diplomatic conference; and the 2003 Supplementary IOPC Fund Protocol diplomatic conference. David joined the International Group of P&I Clubs (IG) in 2004 and has been the International Group's accredited representative and head of delegation to the IMO and the IOPC Funds since then and on pollution matters in general.
