

## GI WACAF webinar series - Season #2

### Webinar #6: how to claim for compensation in case of an oil spill?

13 October 2021 at 2:00 pm (GMT+1)

#### Presentation #1: admissibility criteria for compensation and the assessment of claims for economic losses

Chiara DellaMea

Chiara Della Mea is Claims Manager at the IOPC Funds. Before joining the Funds, she has worked at the Italian Institute for Marine Applied Research (ICRAM), and the Italian Ministry of Environment and Marine Protection, providing advice and expertise in the field of international marine environmental protection law. She joined the Funds in 2004 and has been responsible for the management of several incidents in Korea, Japan, Oman, Spain.

Chrystelle Collier

Chrystelle joined the IOPC Funds 20 years ago. As a Claims Administrator, her primary role is to maintain and develop new procedures with respect of the claims process and coordinate information between the offices and parties involved during an incident. Chrystelle is responsible for providing support with the assessment of all aspects of claims including economic losses from fisheries and tourism to property damage and clean-up costs. She has been actively involved in major incidents in Asia and in Europe and has prepared and delivered numerous training courses at government level.

#### Presentation #2: clean-up and environmental damage claims

Christopher Black

Christopher joined ITOPF in 2019, prior to which he worked at a global commercial insurance company as a Claims Team Manager assessing liability claims and negotiating compensation. He holds a Bachelor's Degree in Biological Sciences and a Diploma in Insurance.
